Geiger to receive prestigious dairy award

By David Nordby
The Brillion News

The National Dairy Shrine's 2024 Guest of Honor will be none other than Corey Geiger.

The Guest of Honor is the highest level of recognition from the Dairy Shrine awards and recognizes an exemplary dairy leader for their accomplishments and contributions to the dairy industry. National Dairy Shrine is the hall of fame for the dairy industry.

"I was humbled and surprised because I didn't know I was nominated," Geiger said.

Geiger is the 82nd person to be awarded as the National Dairy Shrine Guest of Honor and at 51, the second youngest person ever. He will formally receive

the award on Monday, Sept. 30, at the National Dairy Shrine's Awards Banquet in Madison.

Geiger, born into a farming family, spent 28 years as editor of *Hoard's Dairyman*. Geiger's career at *Hoard's Dairyman* began nine months before his college graduation from the University of Wisconsin-Madison. He worked his way through the editing ranks to managing editor, where he focused on dairy policy, milk marketing, tax and financial planning, cost of production, crops and soils, employee relations, breeding and genetics. He traveled to 48 states and 12 foreign countries. He helped launch the publication's fourth language edition, *Hoard's Dairyman China*.

Geiger has served in a lot of

Corey Geiger is the National Dairy Shrine's 2024 Guest of Honor, the highest level of recognition from the Dairy Shrine awards. Geiger will formally accept the award in Madison on Sept. 30. (Submitted Photo)

roles in the dairy industry, including as president of National Dairy Shrine. He's also served as President of Holstein Association USA and the Wisconsin Holstein Association. He also was active in dairy judging contests at both the 4-H and collegiate levels, World Dairy Expo, and the Farm Wisconsin Discovery Center. Geiger also worked closely with the UW-Madison College of Agricultural and Life Sciences (CALs) on various boards and as a Badger Dairy Camp instructor. In 2023, CALs awarded him with their highest honor, the Honorary Recognition Award.

Geiger's writing became well known to readers of *The Brillion News*, as he became the author of two books, which have ...

Sargento Foods featured on ABC World News

By David Nordby
The Brillion News

Sargento Foods has a strong namesake in Northeast Wisconsin, including its cheese manufacturing plant in Hilbert at 460 S 8th Street, which is the village's largest employer.

The company was started in 1953 and was a visionary for the industry as the first to sell packaged shredded cheese and the first to develop zippered packaging for its products.

"ABC World News with David Muir," the national news program, shined a light on the

company over Labor Day weekend as the feature company for the "Made in America" segment.

"Several generations of one family behind something you'll be throwing on the grill or in your salad," Muir said. "As millions of Americans now get ready for those Labor Day cookouts, per-

haps some of the cheese on those burgers or in that pasta salad could be Sargento."

Headquartered in Plymouth, Leonard Gentine started the Plymouth Cheese Counter in the 1940s then turned the Elkhart Lake Canning Company into a cheese company. The compa-

ny was founded in 1953 when Gentine partnered with Joseph Sartori.

CEO Louie Gentine, Leonard's grandson, and other employees were featured on the news program.

"We're very fortunate enough to have people that have ...

Sudoku

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Easy Sudoku

6		7		3	5			2

*One veteran per brick.

BUSINESS *Guide*

COUNTRY VISIONS COOPERATIVE

Walk through the doors at Country Visions Country Store in Brillion and explore a diverse range of products. All six Country Visions' Country Store locations carry a wide selection of products ranging from top-notch animal nutrition items to lawn & garden supplies, wildlife products, hardware, and lifestyle goods. The Brillion store's spacious layout allows them to have an ever-changing selection of products along with dedicated space for well-known brands such as Milwaukee Tool and Traeger. The outdoor area comes alive with plants and lawn & garden products for the spring/summer planting season and transitions to fall/winter with holiday décor, winterizing fertilizer, gloves, cozy socks and pallets of ice melt.

Pet families benefit from a wide range of professional grooming services offered inside the store. Their over-sized "dog house" serves as the pet grooming area and creates a welcoming environment for the pets. Say goodbye to the mess at home and utilize their Self-Serve Pet Wash rooms. Each room has top-notch equipment including a raised tub and easy access steps for your pet's security. Pets are welcome in the store when leashed or safely contained, and up-to-date on vaccinations.

Additionally, the Brillion Country Store offers DNR license and renewals, UPS shipping, and con-

venient LP refill service for propane cylinders up to 100 lbs., including RVs.

Operating hours at Country Visions Country Store at 1010 W Ryan Street in Brillion are Monday-Friday from 8 a.m. to 5:30 p.m. and Saturdays from 8 a.m. to 2 p.m. Contact the store at 920-524-2245 for more information.

Additional space in the building's design allowed Country Visions to merge Corporate and Energy staff together into a single location. They also built another structure to house fuel trucks, propane trucks, and equipment for the Energy service team. With a rich legacy spanning over a century, Country Visions Cooperative continues reinvesting to meet the ever-changing customer needs. Positioned for sustainable growth alongside member owners, they actively participate in the communities they serve. From Agronomy to Propane, Food Service to Feed, Grain to Bulk Fuel, and Country Stores to Convenience Stores, Country Visions excels in innovation, technology, reliability, experience, and a committed workforce. For more information visit them at countryvisionscoop.com and "like" them on Facebook.
