Hidden Treasures reaches \$1 million milestone in giving

By David Nordby
The Brillion News

BRILLION – For many years as leaders of the musical at Brillion High School, Carole and Mark Rajkovich sought out costumes for their performers.

“Mark and I would go to every thrift shop in the whole area looking for props and costumes for our shows, and I just kind of thought this would maybe be something cool for Brillion to start,” Carole Rajkovich, president of the board of Hidden Treasures, recalls.

That was the origin of Hidden Treasures Thrift Shoppe, which has filled the building at 361 South Main Street since 2009. The nonprofit group recently celebrated its 15th anniversary and surpassed a milestone of \$1 million in donations to a wide variety of groups and charities.

The Hidden Treasures board members (starting back row left to right): Mel Edinger, Rob Jensen, Rick Nicklaus, Beth Rinke, Diane Rehme, Jolene Gerhartz, Dawn Dietrich, Carole Rajkovich, Kelly Ruffing and Vicki Mertens. Hidden Treasures recently surpassed \$1 million in lifetime donations. (Submitted photo)

The group has about 70 volunteers, none of whom are paid a penny, making it the largest volunteer group in the city. The shop sells everything from household items to affordable clothing. Other area charity groups benefit from donations, as do the mission efforts of Wisconsin Evangelical Lutheran Synod (WELS) and the outreach efforts of Trinity Lutheran Church in Brillion. “We’re just tickled that after 15 years we could add it up and say we’ve given over \$1 million to a whole bunch of charities,” Rajkovich said. The building is a huge space and when someone walks in, they’re met with countless items that are arranged in displays by the volunteers. “People come in here from other cities and they ...

Brillion Area Optimist Club shows off Horn Park

By David Nordby
The Brillion News

BRILLION – Perhaps nothing exemplifies the dedication to re-vamping Horn Park quite like the volunteers who traded off overnight shifts at the park to make

sure the new equipment was not used while it was settling in. “We needed a light the other night because when [the surfacing] was poured, we had to have some Optimist Club members and a few others sit here 24 hours straight so we had to have people

... stay overnight,” Brillion Optimist Club President Peter Kittel said. “It’s those little things that make a huge difference in the community.” The original goal for the park project was around \$100,000. That number has increased to

\$325,000 with the efforts of all involved. The club held a ribbon cutting last Tuesday afternoon for the new playground equipment, which drew dozens from the community including the youth, who were the first to play on the

new equipment on the windy fall day. “It doesn’t get done without the people who are here today and a lot of other people who made [this] possible,” Kittel said. Fundraising is still taking place for the park so ...

Sudoku

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
