# Olson, Forest Junction featured on 'American Pickers'

By David Nordby  
The Brillion News

FOREST JUNCTION - It might not have been the best kept secret in Forest Junction last July when Mike Wolfe and the crew from "American Pickers," the popular antique-collecting reality show that airs on the History Channel, was in town filming.

Tracy Olson and her collection of antiques, plus the history of Forest Junction, were featured in the episode that aired for the first time last Wednesday, Oct. 30, and is still being viewed with on demand viewing and through clips on social media.

Olson, like Wolfe, is a history junkie.

"I'm kind of obsessed with it. I've been into antique dealing for over 20 years, maybe even a little bit longer, and just been a history

buff my whole life," Olson said.

Olson is originally from Menasha but moved to Forest Junction

after scoping it out while working as a mail carrier. She purchased the former bank to

live in and created quite an antique collection of bygone eras of Forest Junction with the Haese

building.

"That whole collection ranges from housewares to farm implement to everything in between so it was kind of like Forest Junction's one-stop shop. It was kind of like the nucleus of the town," Olson said, describing the yesterday of Forest Junction's history. "It was the second oldest building in town ... One of the buildings was a hardware store from 1873, and over time they just built on it. They did additions that they put on."

By 1884, the general store was built with a living arrangement attached to it, where the Haese family grew up. Robert Haese later took it over with his sisters. Robert Haese is profiled briefly in the episode.

"I think what he had done for the town probably doesn't get as much recognition ...

# Wisconsin Lottery ad filmed in Brillion to begin airing

By David Nordby  
The Brillion News

BRILLION - The Wisconsin Lottery commercial that was filmed in Brillion at Rudy's Cafe and Kwik Trip in September began airing this week.

The commercial was filmed from the night of Sept. 19 into the early hours of Sept. 20. The crew featured multiple actors inside of Rudy's, fake snow and Christmas lights on both buildings.

"The commercial is really centered on the theme of making

someone's day," Gary Kohn, a spokesperson with the Wisconsin Lottery, said.

The commercial features a server inside of Rudy's interacting with one of her regular customers.

The commercial, while just

30 seconds, took hours of planning, hours of filming and weeks of post production. It started with a storyboard concept from Hiebing, the agency that the Wisconsin Lottery uses for the advertisement.

"The storyboard very much

had this shot in mind where the waitress could see through the glass while she's working and serving one of her regular customers who she obviously likes and has a relationship with and it's at that moment, while he's having another ...

### Sudoku

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

# BUSINESS *Guide*

## BRILLION BLOOMS

Brillion Blooms is a locally owned flower shop, opened by Tami and Gordie Gasch, in September 2015. Our business provides long-lasting fresh cut flowers, a wide array of houseplants and summer garden flowers, as well as gifts for almost every occasion.

At Brillion Blooms we specialize in friendly service and helping our customers make the choice that is right for them. We take time to educate our customers on how to make their flowers last longer, care tips for their plants and garden flowers, and are happy to answer all their questions, even after the sale.

As a full-service flower shop, we provide flowers for weddings and events, funerals and memorial services as well as everyday celebrations like birthdays, anniversaries, and appreciation gifts. One of the things we like most about our business, is we are part of all our customers life celebrations, and our customers become friends.

Brillion is our home, we raised our kids here, and we are overjoyed to have a business in our community that can provide such important services to area families.

Both Tami and Gordie are active in the community serving on the board of directors for the Brillion Area Chamber of Commerce, Brillion Optimist Club, Brillion Nature Center, as well as are long-time volunteers for the Calumet County 4-H program and Brillion FFA. Tami also serves as President of the Wisconsin Upper Michigan Florist Association, and as a director to the Wisconsin Florist Foundation. Gordie also serves on the Brillion Public Schools Board of Education.
