## Sundae at the Fairgrounds has new site, same feel

By David Nordby  
The Brillion News

CHILTON – What has long been known as Calumet County Sundae on a Dairy Farm had a different name for last Sunday’s event. Calumet County Sundae at the Fairgrounds was a little different than years past, but event organizers deemed the day a success.

For the first time in the 37 years of the event, it was not hosted by a dairy farmer but rather held at the Calumet County Fairgrounds.

“The fairgrounds was a wonderful venue. It went really well,” Sue Schultz said.

Hosting the event is a massive undertaking for area farmers. Schultz said the event organizers are still looking for a host farm in 2025 and beyond.

The 2024 event was moved to the fairgrounds in January when the event’s committee group could not secure a farm.

“It went very, very well (at the fairgrounds),” Schultz said. “We have a wonderful venue.”

Sunday’s event included much the same that people have come to expect over the years. There were farm displays and live animals provided by farmers in the county. Around 60 volunteers made the event possible and an estimated 2,000-plus people attended.

“A lot of the same activities and then we added new activities,” Schultz said. “The only thing that we were missing (Sunday) that we would have done on a farm, if you go to a large farm, is you would have walked through the barns. Instead you could not physically walk on a farm.”

Through the magic of technology, the Calumet County Sundae on a Dairy Farm has been chronicled for the last seven years with high quality videos. A virtual farm viewing was shown. ...

## Seerings remember Brillion days fondly

By David Nordby  
The Brillion News

It’s a bit of an understatement to say things in Brillion looked different when Glen Seering got here in 1967 than they do now.

It’s also safe to say he’s a big

part of why things look how they do now.

Seering coached the boys track and field team from 1971 until 1999, plus had a stint as athletic director. He was also the cross country coach from 1970 until 1977 and an assistant foot-

ball coach. Girls’ sports programs started during Seering’s tenure, as did upgrades to facilities and equipment.

The Shawano native moved to Brillion with his wife, Letha, and together they raised their four children – Valynn, Neil, Heather

and Cara.

He was a physical education teacher inside the school. Letha drove the school bus and was the Poms program leader for 15 years.

“There are a lot of special memories from then. They were

great,” Letha said.

### Getting to Brillion

Seering was born and raised on a farm in Shawano, and Letha is from Crivitz. As a youngster, Seering didn’t have a lot ...

## Sudoku

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
