## Hilbert opens school year with new facilities

By David Nordby  
The Brillion News

HILBERT – The 2024-25 school year is starting with new energy in the Hilbert school building, primarily in the technical education and music departments.

The district showed off the \$8.27 million renovation project with an open house to the community last Wednesday night. The project was approved with a referendum in November 2022 with about 60% of voters saying yes.

The project was completed on time and on budget. The new school year combined with the new facilities, including more school pride on the walls, has given kids more excitement this fall.

Kevin Chevalier (McMahon), Jerry Franczek (Board President), Tony Sweere (Superintendent) and Marc McGuire (CD Smith) cut the ribbon to commemorate the upgrades to the Hilbert School District building during an open house last Wednesday. McMahon and CD Smith were the leaders of the \$8.27 million construction project. (Courtesy of Laurie Mathes Photography)

“We even remodeled some of our commons, where our kids eat. When you walk into the school, it just looks different. It’s brighter. I just think that has brought some excitement but definitely with the kids having an opportunity for new facilities and new equipment to work with, they’re really excited,” Superintendent Tony Sweere said.

Construction started in 2023. “It went fast. Obviously, a little less than a year we were able to get into it. I think the amount of distractions we had last year were minimal. We had a few minor things with moving but pretty much the majority of it took place outside of school so we could kind of function on a normal school year,” Sweere said. The building houses all ...

many.

### Tony Sweere, superintendent

Each new school year brings changes in the Hilbert School District, but this year there will be some very noticeable changes

in Hilbert. With the new addition and remodel completed this summer, students will enter the school seeing a newly remodeled and expanded commons area, new band and choir suite, new fitness center, new high school locker rooms and a state-of-the-art technology education addition and expansion.

These additions bring excitement and new possibilities for our students and staff.

New school years often bring changes in staff as well. Unfortunately, for the Hilbert School District, a well-respected teacher, colleague and friend will not return in the fall.

Our K-12 vocal music teacher, Deb Seidl, passed away unexpectedly in early July from a short illness. Mrs. Seidl had been a fixture in the district since the fall of 1992.

Mrs. Seidl taught choir and general music classes for all students in grades kindergarten through grade 12. ...

## Sudoku

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

## RURAL MUTUAL INSURANCE COMPANY

Dale Behnke and his wife Anita started the agency in June 2014 in Hilbert, Wisconsin. Rural Mutual values what is important in life and our promise is to protect and rebuild Wisconsin families, farms and businesses following times of unintended loss. Rural Mutual Insurance company is based in Madison and only sells insurance in the state of Wisconsin.

"Premiums Paid Here, Stay Here" to "Keep Wisconsin Strong!"

We are pleased to announce that Rural Mutual has been named to Ward's Top 50 out of nearly 3,000 companies nationwide in the P&C insurance industry for the fifteenth straight year.

For the policyholders, another Ward's 50 seal means that the company is financially secure and one of the most efficiently operated insurance providers in the country. This recognition also reinforces Rural Mutual's promise that when a claim happens, we will be there to work with our customers to reach a prompt and fair settlement.

Rural Mutual also provides a "Country Estate" policy. This product is unique and particularly attractive to the "Hobby Farm" market.

Something "NEW" is "Limited Water Endorsement". This is available now for Homes, Country Estates, Farms and Rental properties.

It covers surface water flooding (seepage through doors; windows; floors; etc) heavy rains and down pours.

Call Dale or Anita and they will provide quality insurance products for your AUTO, HOME, FARM, BUSINESS, LIFE and ANNUITIES through Rural Mutual Insurance Company and Farm Bureau Life Insurance Company.

They will listen to what's important to you and give you personal and dependable service. "CALL THEM TODAY"
