Town of Brillion chairman unhappy with Round Lake Road

By David Nordby
The Brillion News

BRILLION – Town of Brillion Chairman Kevin Fischer was a guest at Monday’s Brillion Committee of the Whole meeting to share concerns about the current condition of Round Lake Road.

“I asked to get on the agenda because we are very concerned about the portion of Round Lake Road that the city takes care of,” Fischer said.

Fischer said the Town of Brillion, the Forest Junction Fire Department and the Potter Fire Department will not drive on the road with any emergency equipment or town equipment until the road is fixed.

Town of Brillion Chairman Kevin Fischer spoke to the City of Brillion on Monday night to express concerns about the conditions of Round Lake Road. Fischer said that the Town of Brillion, Potter Fire Department and Forest Junction Fire Department are no longer willing to drive on the road. . (David Nordby/BN)

“Until it’s usable again because now it’s not,” Fischer said.

Fischer said Brillion Public Works Supervisor Andrew Maertz notified him last week that the road will be closed due to its condition.

“It just frustrates the town quite a bit because all that traffic that’s going into that concert on Thursday is going to go down our road,” Fischer said, referring to the planned Jason Aldean concert at Ariens Nordic Center, which is part of the NFL’s leadup to the league draft being held in Green Bay in 2025.

“We can’t stop them from coming in because we have to ...

Approval of SRO contracts recommended to council

By David Nordby
The Brillion News

BRILLION – Brillion Committee of the Whole, during a special meeting on Monday night, recommended to City Council the approval of school resource officer (SRO) contracts with the Brillion and Reedsville districts for the 2024-25 school year.

The contracts, already approved by the school districts pending the city’s approval at

their end, will include a 6% increase in the cost of wages from last year, as stipulated by the police union contract. Alderperson Joe Behnke had pushed for a larger increase in money paid back to the city by the schools, similar to the 35% increase the districts accepted for 2023-24. Behnke was the one person to not recommend to City Council the contracts with the 6% increase.

Initially, years ago, the districts only covered the wages to

have SROs in their buildings. Last year’s increase meant the districts also covered the cost of benefits. Behnke pushed for another increase this year to cover the entire cost for things like equipment and any trainings officers might take part in.

The city receives about \$70,000 between the two districts, which helps supplement the police budget. The districts pay about \$47 per hour to have the officer in their buildings. Had

the increase that Behnke pushed been approved by all parties, the districts would have paid about \$58 per hour.

Much of the discussion has taken place this summer at Finance Committee meetings. A motion died on the floor at one of those meetings for the larger increase after Behnke and Joan Schmitt proposed it. Mayor Mike Smith and Alderperson Kurtis Stephany were not in support of the larger increase this year when

it was discussed at the Finance Committee level.

The history of having a police officer in both Brillion and Reedsville is lengthy and there have been many advocates for it, and discussion about it has increased greatly in the last few years. When the Brillion School Board did not renew the contract for the 2020-21 school year citing the position unnecessary because of COVID, the city approached the Reedsville School District. ...

Sudoku

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Easy Sudoku

BUSINESS *Guide*

ADVANCED ARCHERY

Whether you're a novice, or an experienced archer, Advanced Archery is the shop for you. Area resident, Paul Gehl, opened the full service shop to outdoorsmen in 1997. It is managed by Tom Rand, who has 50 years of bow hunting and bow repair experience under his belt. Employees Jessie Propson, Jeff Rach, and Curt Meshak are also trained to do all necessary repairs and setups.

Advanced Archery carries Mathews, Mission, Elite and Athens bow lines. New this year are the Mathews Phase4 Bows, Elites new Omnia is a great Bow and their Basin series offers great value. Athens has the exciting new Elevate series Bows Mission has added the exciting and accurate Sub-One XR and Sub-One Lite to their Crossbow line up. They have also revamped their Vertical Bow line up with the new MXR, Switch, HammR and Radik Bows.

At Advanced Archery they provide you with the very best service while offering competitive prices. They also stock all the necessary accessories from companies such as: Tru-Fire, RipCord, Mathews, QAD, HHA, Tru-Glo and others to make your bow shoot its best. Need arrows? Check out their selection from Gold Tip, Easton and Carbon Express. Advanced Archery services the brands they sell, as well as other brands too.

A 20 yard indoor shooting range is available year-round for practice along with a Techno-Hunt Video Archery System for realistic shooting. Don't forget to sign up for a league on their video range during the winter!
